MANURE MANAGEMENT PLAN UPDATE: Moved by Walker and seconded by Hoadley to acknowledge receipt of the Glenview Finisher Farm Manure Management update. Approved.

TREASURER: Brenda Wallace, County Treasurer, informed the Board that their office is going to begin doing online appointments for driver's license appointments. This is something that the Department of Transportation will be requiring with phase one going live in 2026 and the second phase in 2027. They still will continue to do walk-ins around appointments. They have seen an increase with out of county residents including Polk, Union, and Madison County residents. The appointments can be made through the DOT website. Wallace exited at 9:08 a.m.

CONSERVATION: Dominic Johnson, Conservation Director, stated that there is a need to fill the vacancy of Doug Davidson on the Conservation. His recommendation would be for the Board to appoint Bill Newbury to the position. Newbury introduced himself and discussed why conservation is important to the community.
